

MYANMAR: FSC SO1 – Food Assistance to IDPs

Jan to Mar 2023

**This map is based on data available at Township level. Information visualized on this map is based on data collected from FSC partners which shared the 5Ws reports only under humanitarian programme.*

Highlights

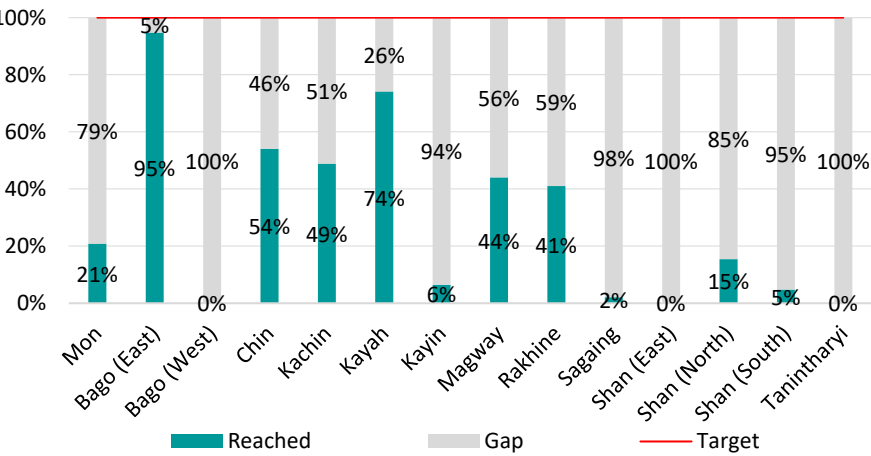

- Overall, a total of 66 (30%) townships were reached across 11 states/regions out of total 223 townships targeted in 14 states/regions under SO1 as of HRP 2023.
- By Q1 2023, FSC reached 33.5% of SO1 targeted IDPs with overreaching in 14 townships.
- However, a significant gap remains in the most concerning regions of North-West Myanmar (Chin, Sagaing and Magway) and South-East (Kayin and Tanintharyi Region) at Q1. Efforts are ongoing to reach IDPs in those regions.
- 46% of IDPs reached under SO1 are recently displaced in Kayah, Kayin, Chin, Mon, Shan (South) States, Bago (East), Magway and Sagaing Regions since coup. The rest are in a protracted displacement situation.
- An estimated 1.8 M IDPs were reported across the country as of UNHCR's report on 10 April 2023 (<https://reporting.unhcr.org/document/4666>), including 1.47 M people newly displaced since 1 February 2021.

MYANMAR: FSC SO2 - Food Assistance to other vulnerable people (excl. IDPs)

Jan to Mar 2023

**This map is based on data available at Township level. Information visualized on this map is based on data collected from FSC partners which shared the 5Ws reports only under humanitarian programme.*

Highlights

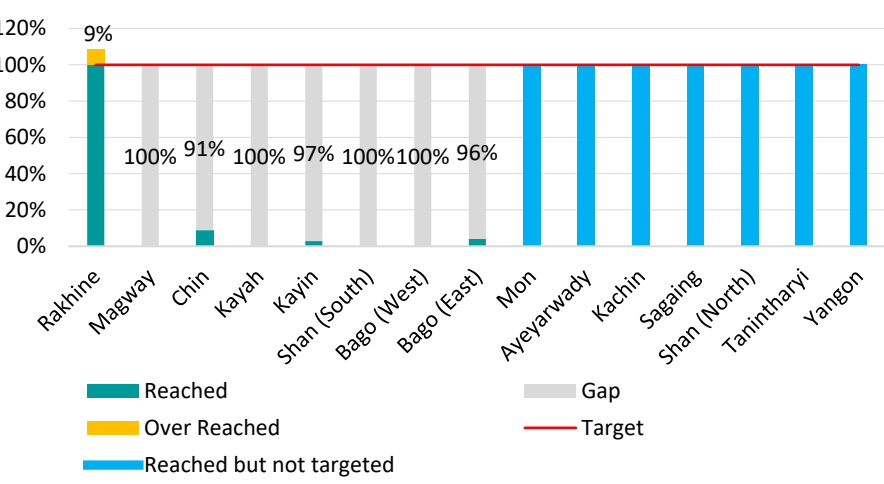

- Overall, a total of 10 (13%) townships were reached across 4 states/regions out of total 76 townships targeted in 8 states/regions under SO2 as of HRP 2023.
- A total of 8 townships that were not targeted under SO2 were successfully reached.
- By Q1 2023, FSC reached 55% of SO2 targets with overreaching in 2 townships. Most of the assistance was provided in Rakhine State.
- 80% of beneficiaries reached under SO2 are stateless people from Northern Rakhine State

MYANMAR: FSC SO3 - Agriculture/Livelihoods Assistance to all population groups

Jan to Mar 2023

**This map is based on data available at Township level. Information visualized on this map is based on data collected from FSC partners which shared the 5Ws reports only under humanitarian programme.*

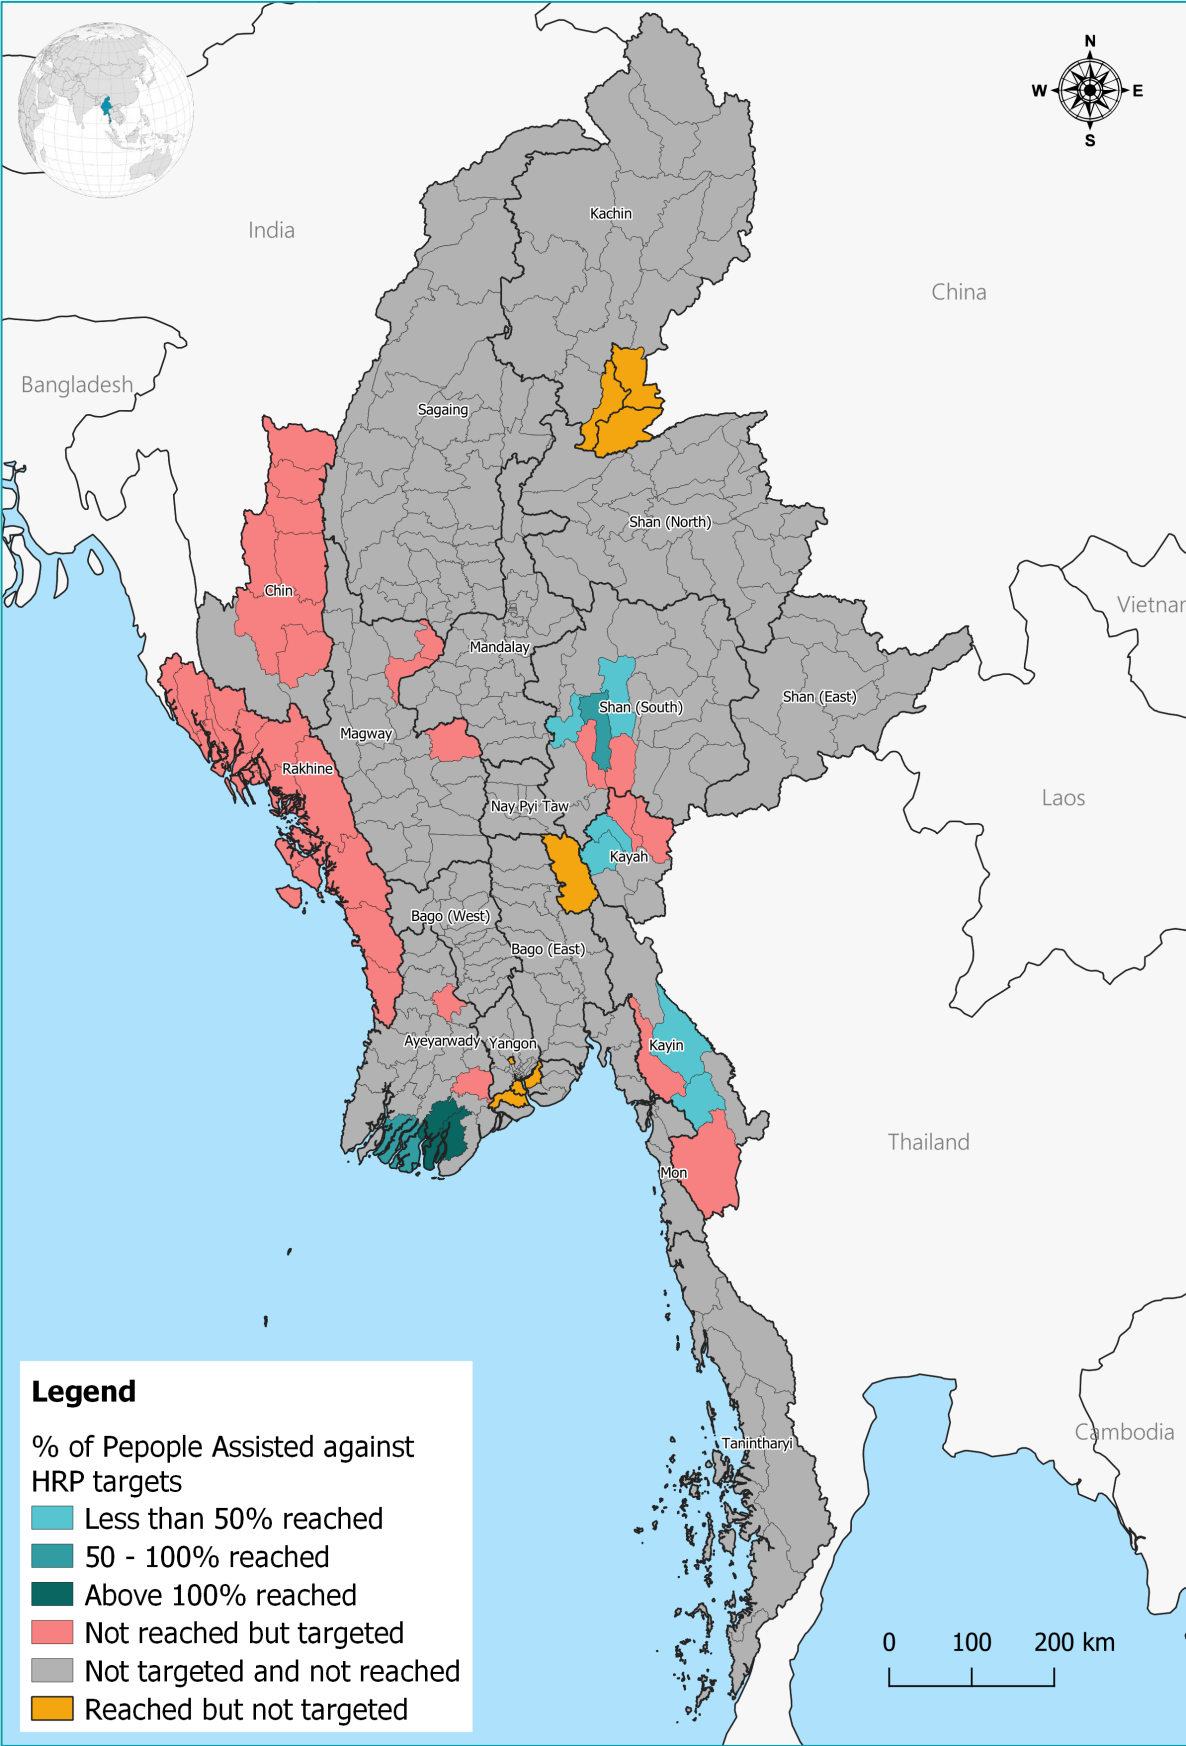

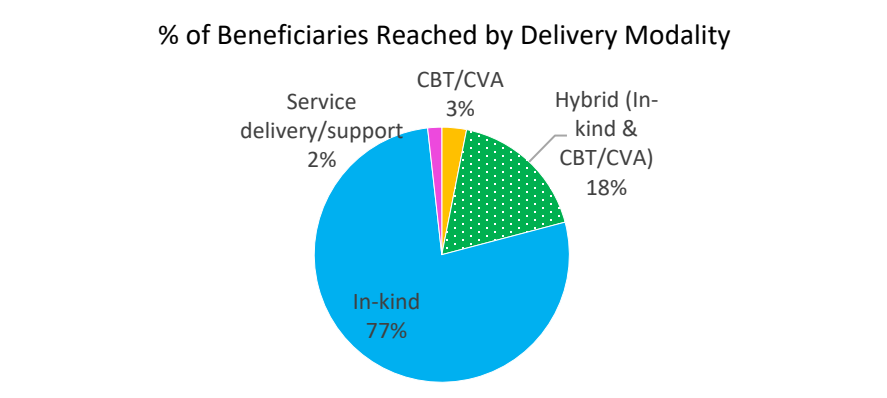

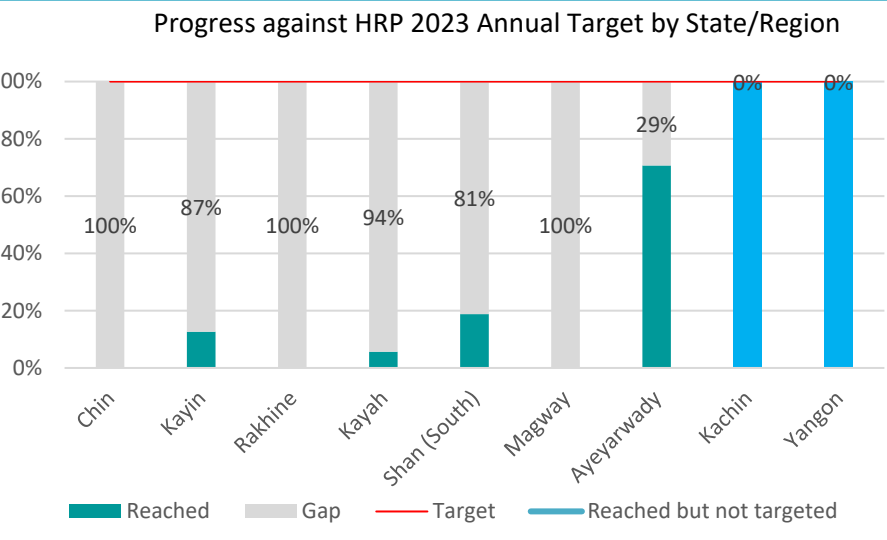

Highlights

- Overall, a total of 10 (22%) townships were reached across 4 states/regions out of total 45 townships targeted in 7 states/regions under SO3 as of HRP 2023.
- A total of 14 townships that were not targeted under SO2 were successfully reached.
- The largest proportion of beneficiaries were reached in Kayin State (25%), followed by Shan (South) (24%), Ayeyarwady (21%), and Yangon (19%).
- By Q1 2023, FSC reached 10.2% of SO3 targets with overreaching in 2 townships.
- The distribution of crop, vegetable and seed kits formed the majority of SO3 activities (95%), then followed by cash for livelihoods (3%) and farmers training (2%). It will be important to review the results from the second quarter in order to see if support to agriculture has been strengthened and if agricultural households receive sufficient assistance prior to the main planting season which begins in May 2023.
