MYANMAR: FSC SO1 – Food Assistance to IDPs

Jan to Sep 2023

*This map is based on data available at Township level. Information visualized on this map is based on data collected from FSC partners which shared the 5Ws reports only under humanitarian programme.

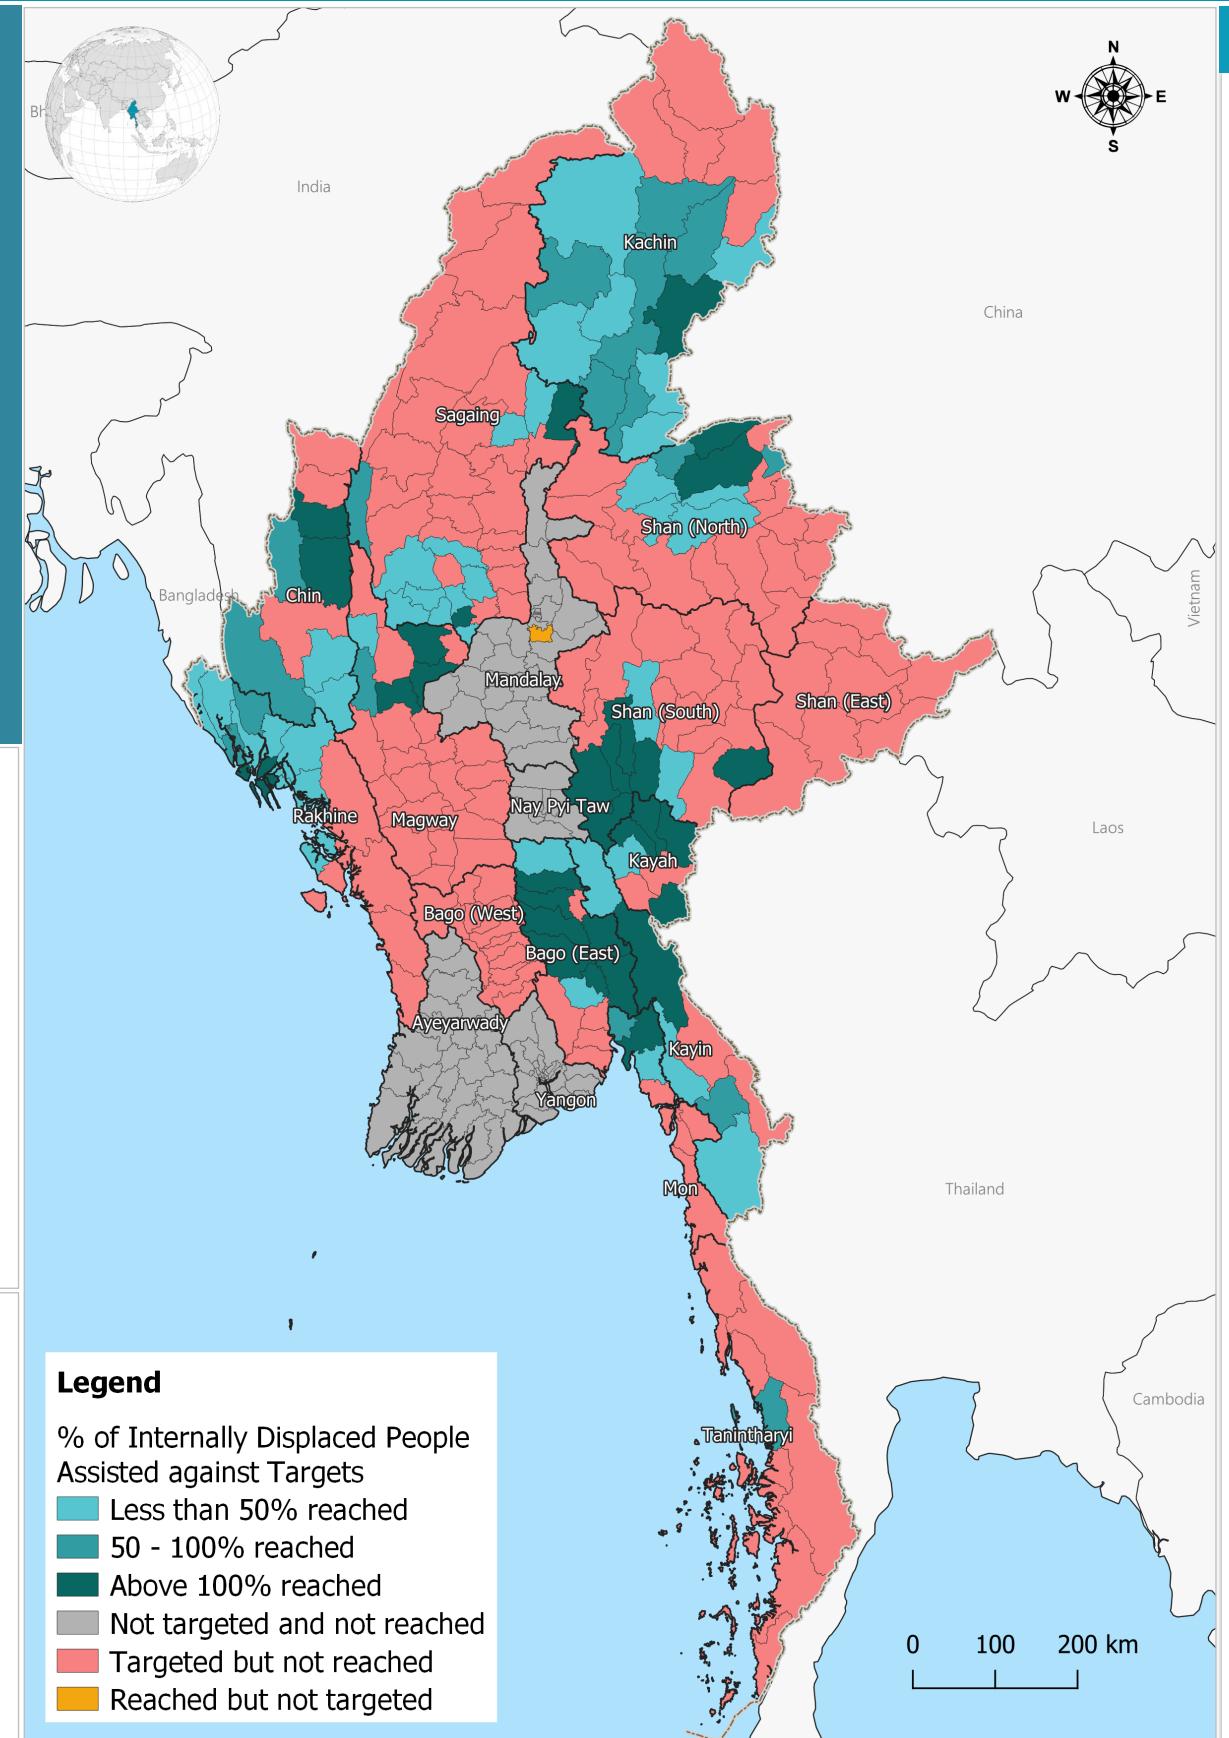

Highlights

- Overall, a total of 87 (39%) townships were reached across 11 states/regions out of total 223 townships targeted in 14 states/regions under SO1.
- By Q3 2023, FSC reached 53% of SO1 targeted IDPs with overreaching in 31 townships.
- Reached one township in Mandalay region which was not initially targeted under HRP 2023.
- However, a significant gap remained in the most concerning regions of North-West Myanmar (Sagaing and Magway) and South-East (particularly in Tanintharyi Region), and efforts are ongoing to reach IDPs in those regions.
- 59% of IDPs reached under SO1 are recently displaced in Kayah, Kayin, Chin, Mon, Shan (South) States, Bago (East), Magway and Sagaing Regions since coup. The rest are in a protracted displacement situation.
- Currently, an estimated 2 million people are displaced across the country, as of [the Myanmar Humanitarian Update](#) reported on 10 November 2023, including 1.7 million people who have been displaced since 1 February 2021.

MYANMAR: FSC SO2 - Food Assistance to Non-IDPs

Jan to Sep 2023

*This map is based on data available at Township level. Information visualized on this map is based on data collected from FSC partners which shared the 5Ws reports only under humanitarian programme.

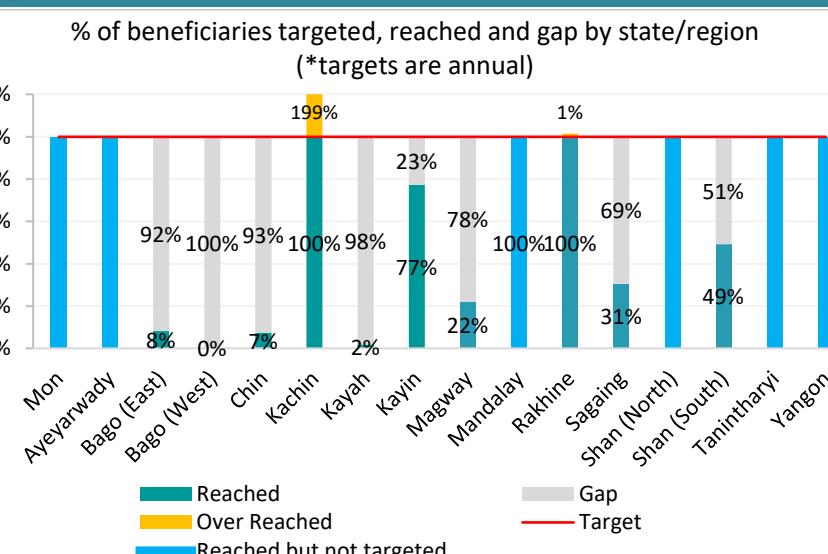

Highlights

- Overall, a total of 24 (28%) townships were reached across 9 states/regions out of total 86 townships targeted in 8 states/regions under SO2.
- A total of 42 townships not initially targeted for SO2 were successfully reached.
- By Q3 2023, FSC reached 95% of the beneficiaries annually targeted for SO2. The progress was reflected by considering the beneficiaries reached who were not initially targeted. However, unsurprisingly, 75% of SO2 beneficiaries were from Rakhine State

MYANMAR: FSC SO3 - Agriculture/Livelihoods Assistance

Jan to Sep 2023

*This map is based on data available at Township level. Information visualized on this map is based on data collected from FSC partners which shared the 5Ws reports only under humanitarian programme.

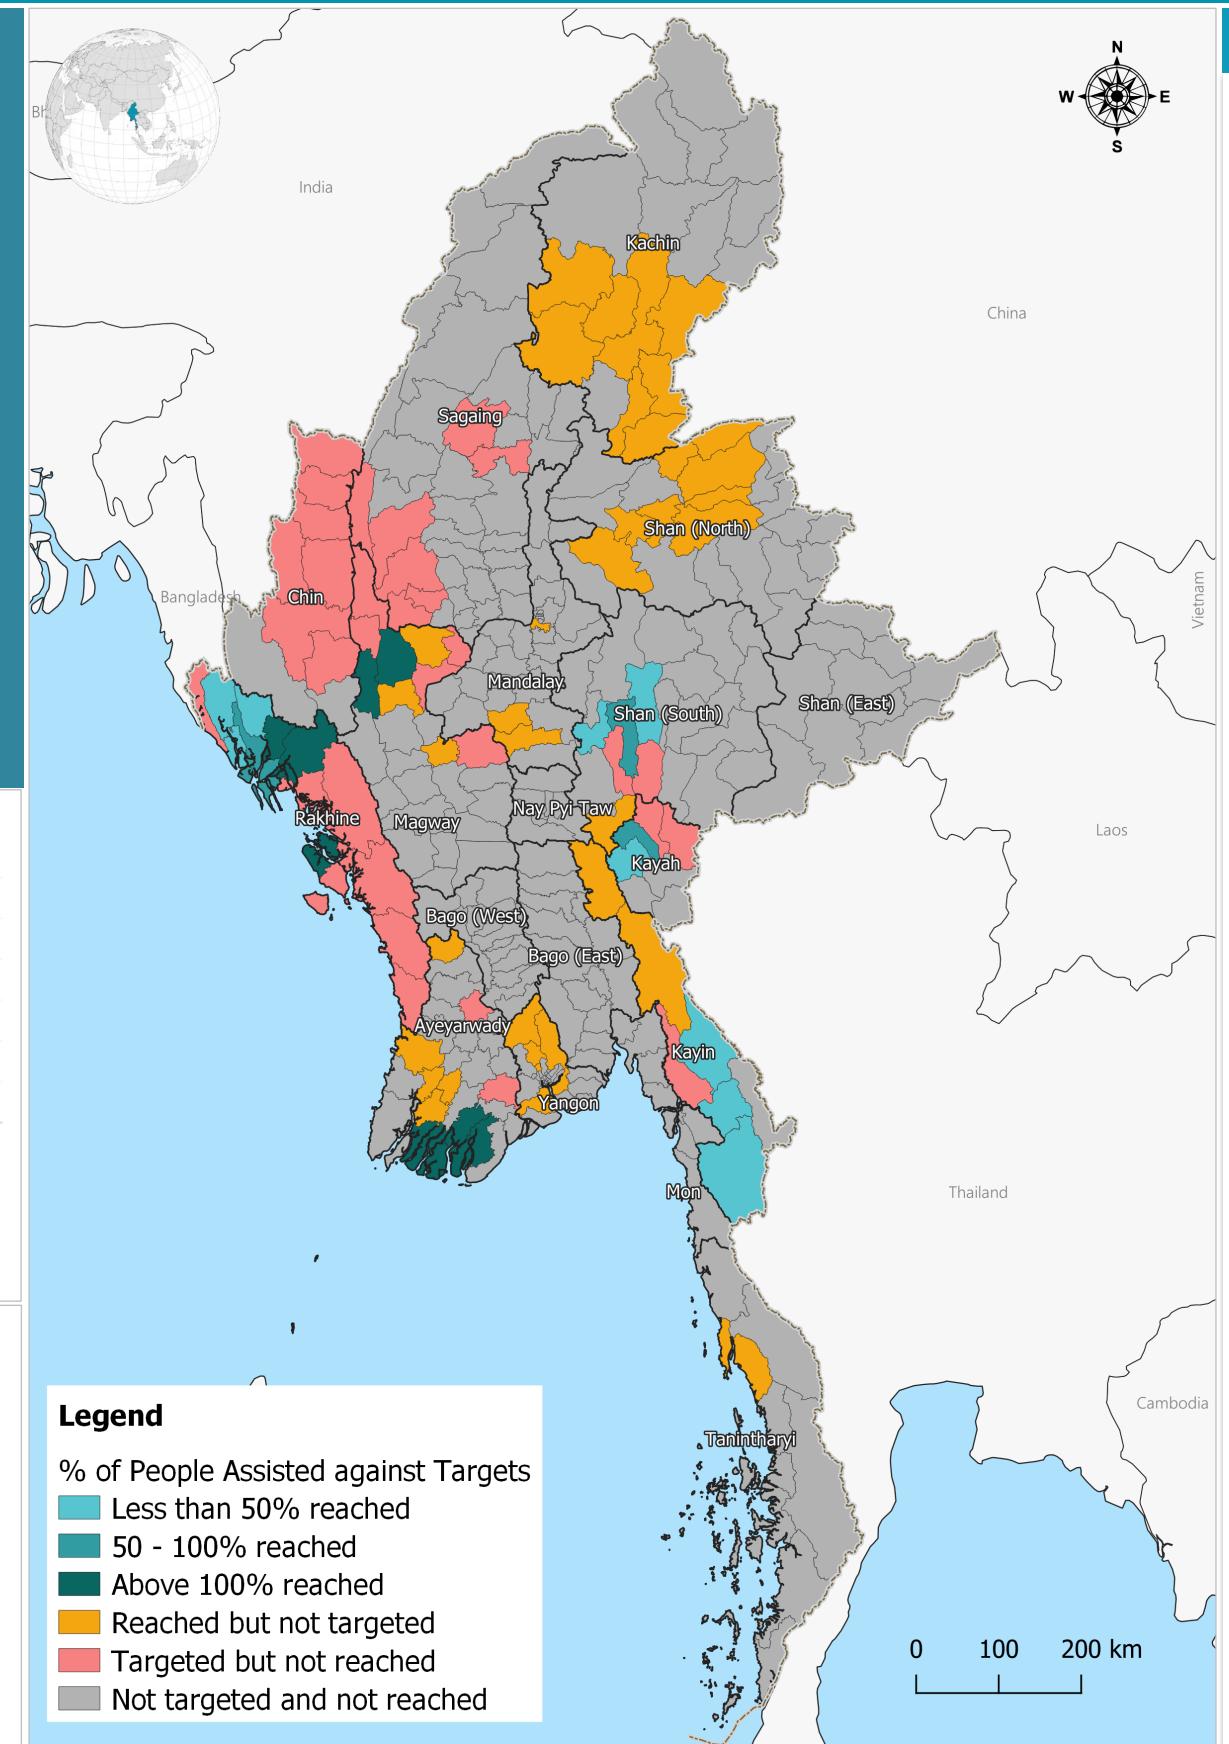

Highlights

- Overall, a total of 22 (39%) townships were reached across 6 states/regions out of total 56 townships targeted in 8 states/regions under SO3.
- A total of 39 townships not initially targeted for SO3 were successfully reached.
- The largest proportion of SO3 beneficiaries were reached in Rakhine (45%), followed by Ayeyarwady (11%) and Yangon (9%).
- By Q3 2023, SO3 (Agriculture & Livelihood) achievement is still remarkably low (35%) compared to the annual target.
- In terms of SO3 main activities, the distribution of crop, vegetable, and seed kits constituted the primary activity, reaching 76% of SO3 beneficiaries, followed by livestock assistance (reached 15%) and income-generating activities (reached 7%).
